

Displayschutz Max, 10,9" (10. Gen.)

Highlights

- **Tempered glass** (9H) provides protection against fingerprints, scratches, and other damages.
- **The ultra-thin** glass layer, measuring only 0.33mm, ensures minimal bulk.
- **Installation is easy**, with a dust-free and bubble-free process.
- **Touch sensitivity** and Touch ID function as usual.
- **100% compatible** with our DEQSTER cases for respective devices.
