

# Product Solutions 2025

We don't just equip devices. We upgrade learning.

## DEQSTER: Better Impact on Education & Corporate.

### SMART PRODUCT SOLUTIONS FOR EDUCATION & PROFESSIONALS.

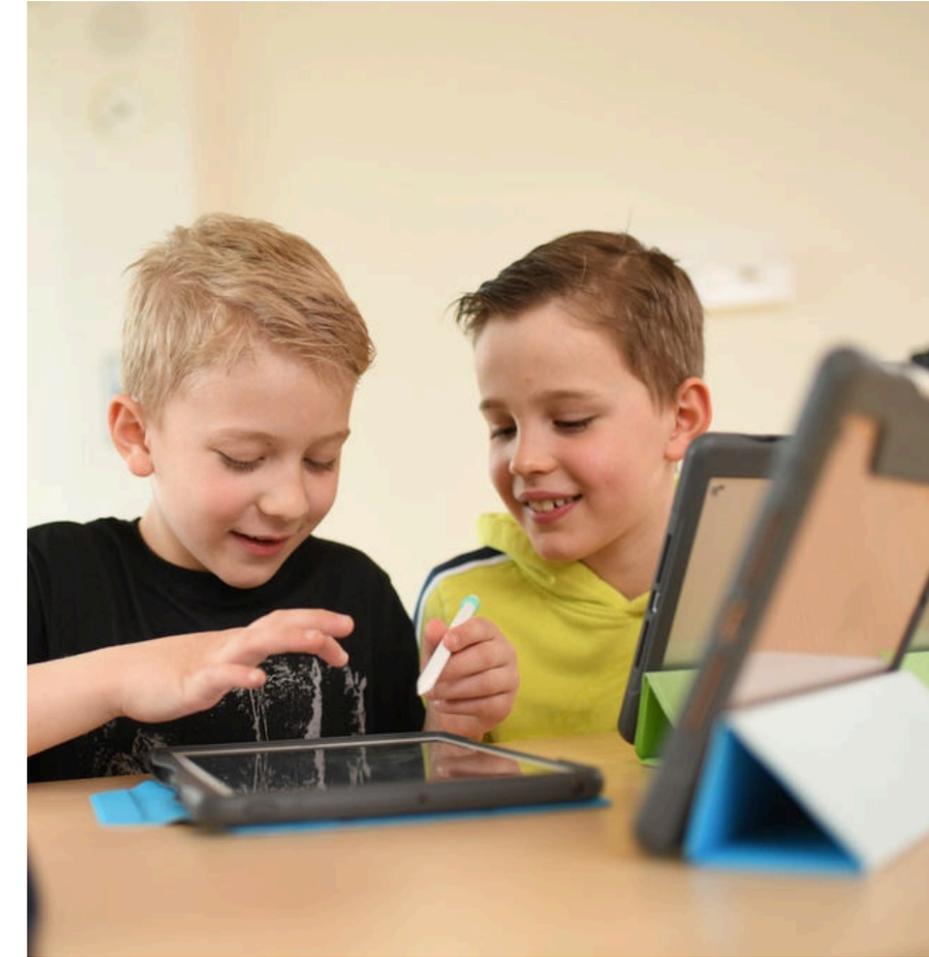

DEQSTER develops smart solutions for education, B2B and manufactures MFi-certified products. Our portfolio is tailor-made for schools and professionals – based on their needs.

As an Apple Education Ecosystem Partner, we deliver more than just product solutions – we deliver trust. Over one million users worldwide already rely on DEQSTER – because great learning needs top-tier solutions.

From rugged keyboard cases, intuitive styluses to modular charging and transport solutions: Everything we create is developed in Hamburg, specifically targeted for schools and professionals – perfectly, tailored for the iPad, 100% integrated.

Since our founding in Hamburg in 2020, we have followed a clear mission: We want to make education better and beyond that.

DEQSTER stands for sustainable, functional, and inspiring smart solutions for everyday life: ready to use – designed with schools & professionals in mind.

Less chaos. More class.

## Everything for the digital school and work day.

Modular solutions for iPad, tablets, and digital learning environments.

Protects the iPad. Inspires children. Supports teachers.

## KIDS CASE

MORE PROTECTION. MORE FUN. MORE LEARNING.

The kid-proof iPad case with clever handle, screen protector, and stylus holder – perfect for school, home, and on the go.

The DEQSTER Kids Case is specially designed for little explorers. Whether in daycare, elementary school, or at home, this case reliably protects the iPad while bringing joy to everyday life. Thanks to soft EVA foam, an integrated handle, and a smart stand, it is safe, practical, and versatile—ideal also for children with special educational and inclusion needs.

### Benefits for everyday use in education:

- Shockproof & soft: Made from ultra-light EVA foam – free of plasticizers, 100% child-safe.
- All-around protection: Includes hardened display glass (9H) – scratch-resistant, shatterproof, and clear.

# DEQSTER ACCESSORIES

Because learning is clearer when the view is unobstructed.

## SCREEN PROTECTION MAX & LITE

CLEAR VIEW. STRONG PROTECTION.

Display protection solutions for everyday use – robust, brilliant, reliable.

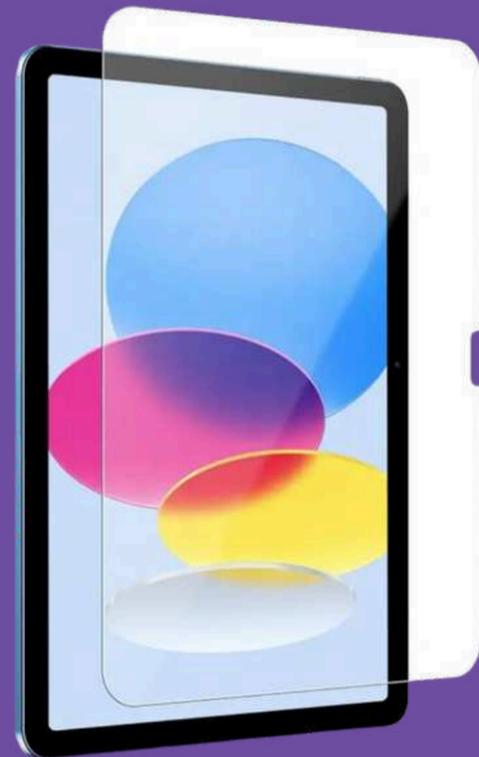

Whether in work or educational environments, iPad are used daily.

That's why strong display protection against scratches, cracks, and dirt is essential. Our protective glass is specially designed for protecting your device and can be applied quick, easy and bubble-free.

### Benefits for everyday use:

- Highest hardness rating: Tempered glass (9H) protects against scratches, drops, and breaks.
- Perfect usability: Ultra-HD transparency and maximum touch sensitivity.
- Bubble-free: Easy to apply thanks to premium adhesive layer – ideal even for class sets.
- Anti-fingerprint: Fewer smudges, less dirt – more clarity.
- Case-safe: Compatible with all DEQSTER cases.

**Secure hold  
and residue-  
free removal.**

Anti-fingerprint-coating
